Objective

My best strength is ability to tell a good story through images and sound. I have studied editing at major institutions, and have spent years working as an editor in Los Angeles. I am fully versed in numerous programs which include: Avid Symphony/Media Composer, Final Cut Pro, Adobe Photoshop, After Effects, and DVD Studio Pro.

Education

B.F.A in Film Production, University of California: Santa Cruz, June 2000.
Top 10% of class, with special courses in film theory, editing, and film and video production.

M.F.A. in Film Editing, American Film Institute, June 2002.
One of only nine editors accepted into the program. Special courses include Avid Film Composer and Symphony, advanced editing techniques, and hands on 35mm-post production.
